

Camp Donegal's 6th Annual

Fundraising Auction

Saturday, June 6, 2009

Doors open at 9:00 a.m.

Live Auction begins at 10:00

Camp Donegal was founded in 1957 and is owned and operated by the Presbytery of Donegal, Presbyterian Church (USA). Camp Donegal is 128 acres of wood, fields, and tumbling brooks nestled in the rolling hills on the west shore of the Susquehanna River. In this setting, the rustic lodges, cabins, wilderness shelters, swimming pool and other facilities combine to make it a "growing Place" for Christian camping and retreat.

The purpose of Camp Donegal is to provide opportunities for persons of all ages to learn and grow in a Christian faith, to know Jesus Christ as Lord and Savior, and aid them in understanding both the natural world as a precious gift and the need to protect the environment responsibly. The summer camp program includes 8 separate weeks of camp with opportunities for youth from kindergarten through twelfth grade. Programs include Day Camp for the youngest campers, half week camps for the beginners and full week camps for campers third grade and above.

Over the past five years, 1600 children and youth have participated in the summer program at Camp Donegal. Our goal over the next five years is to increase 2008's summer camper count of 351 by at least 50 campers per year. In order to do that, we need to set up campership funds to assist families

with the tuition expense. It costs approximately \$60 per day for a camper to come to overnight camp.
